Terms and Conditions of Sale and Service

DOC NO. : Q-601
ISSUED : 3-14-2025
REVISION : A
PAGE : 1 of 5

The following Terms and Conditions are applicable to all sales of Products (Part Numbers) by Adept Fasteners, Inc. (Seller) to customer (Buyer). The Terms and Conditions of this Agreement take precedence over any Standard Purchasing Terms and Conditions set forth by the Buyer.

1. **ACCEPTANCE.** Buyer's Agreement/Purchase Order is accepted subject to the following terms and conditions and no others, unless the same have been consented to in writing by the Seller. The placing of orders by Buyer shall be conclusive evidence of the Buyer's approval of and consent to the terms and conditions contained herein.

2. **PRICES AND PRICE REVISION.** Proposals are quoted in \$US dollars and are valid for 7 days. All stock and partial lead-time products are subject to prior sale. Seller retains the right to change/withdraw pricing until Purchase Order has been formally accepted. Seller may quote additional charges for any rush/AOG shipments, special packaging, etc. amongst any other non-standard requirements required by the Buyer. Seller may revise its quoted unit prices, in the event of supplier price increases or other circumstances beyond the reasonable control of Seller, including Buyer's orders varying +/- 25% from Buyer's forecast. Unless otherwise specified, quoted prices are for a single delivery. If Buyer places Purchase Order for Products with multiple delivery dates, Seller reserves the right to reprice and confirm availability of products until each respective delivery date, if the manufacture's cost increases between the date of the Purchase Order and requested delivery dates. If Buyer's usage requires alternate sources, gap buys, or expedite and premium transport fees to meet Buyer's demand, all such additional costs and fees shall be paid by Buyer. Seller shall use its best efforts to mitigate the impact of such price revisions upon Buyer and will provide notice of Seller's intent to revise prices. Unless otherwise noted at time of quotation, quoted prices do not include any taxes or duties on the purchase or sale of Parts, including, but not limited to, federal, state, or municipal excise, sales, use or value added taxes or import duties, if any. Any such taxes and duties that may become due and owing will be paid by Buyer, excluding taxes based upon Seller's gross income. Buyer shall reimburse Seller upon demand for any such taxes, duties or similar charges that Seller is required to pay or collect. Unless specifically offered otherwise, Buyer's orders shall be a minimum \$25.00 per discrete line item and \$50.00 per order. Seller reserves the right to limit order quantities for certain parts.

Notwithstanding any prior agreement or understanding between the parties, the Seller reserves the right to adjust prices for products subject to tariffs, customs duties, or other government-imposed charges that may arise after the date of this Agreement. Such price adjustments may be made in response to changes in the tariff structure, import/export regulations, or other governmental actions affecting the cost of goods. The Seller shall provide written notice of any price increase resulting from such tariffs and related costs prior to shipment of products. Concurrence of the price increase in the form of a purchase order amendment will be required prior to shipment of product.

3. **PAYMENT.** All transactions are to be made in \$US dollars. Unless otherwise mutually agreed, payment terms are net thirty (30) days from date of invoice, subject to approval of Buyer's credit. Buyer's credit terms may be evaluated at any time and Seller may modify or withdraw credit terms without advance notice to Buyer if deemed necessary. Buyer's without established credit terms may be subject to payment in advance (credit card or wire transfer). If Buyer is delinquent in its payment obligations to Seller, Seller may at its option (i) be relieved of its obligations with respect to guarantees, including without limitation, turnaround times, spares support and delivery lead-times; (ii) refuse to process any credit to which Buyer may be entitled; (iii) set off any credit or sum owed by Seller to Buyer against any undisputed amount owed by Buyer to Seller; (iv) withhold future deliveries to Buyer; (v) declare Buyer's performance in breach and terminate the purchase order; (vi) repossess Parts for which payment has not been made; (vii) make future deliveries on a cash-with-order or cash-in-advance basis; (viii) charge interest on delinquent amounts at a rate of 1.5% per month or the maximum rate permitted by law, if lower, for each month or part thereof; (ix) charge storage or inventory carrying fees on Parts; (x) recover all costs of collection including, without limitation, reasonable attorneys' fees; (xi) if Buyer is delinquent on a payment schedule, accelerate all remaining payments and declare the total outstanding balance then due and owing; or (xii) combine any of the above rights and remedies as may be permitted by applicable law. The above remedies are in addition to all other remedies available at law or in equity. Payment delinquencies from Buyer will prompt Seller to place them on hold and stop all shipments until resolved.

If Buyer disputes Seller's invoice, or any portion thereof, Buyer will so notify Seller within seven (7) business days of the date of Seller's invoice. Buyer's failure to provide notification within said period shall be deemed acceptance of Seller's invoice by Buyer. The parties will use all reasonable efforts to resolve invoice disputes expeditiously.

Notwithstanding any invoice disputes, Buyer shall promptly remit payment for invoices, or portions thereof, not in dispute.

4. PURCHASE AND DELIVERY. Buyer will issue Purchase Order to Seller specifying Part Number, Quantity, Quoted Price and Delivery Schedule. Adept Fasteners reserves the right to re-quote if Buyer's Order stipulates any special conditions, specifications, approvals, certificates, test reports, first articles, special packaging, multiple delivery schedules, or other significant changes that were not requested at the time of the original or most recent quotation. Buyer may not cancel any Part Number unique to Buyer after Purchase Order has been confirmed. Special order items are NON-CANCELABLE and NON-RETURNABLE. Cancellations are subject to cancellation/restocking fees. Shipping tolerance is +/-5% for any line under \$500. Buyer affirms that each Product varies in weight, size, thickness and/or length, as per the allowed tolerance(s) stated on the drawing/specifications. The quantity of Product(s) which is based on a weight count is deemed to be conforming and accepted if the count does not exceed +/- 5% of the ordered quantity, and order shall be considered order complete. For delivery shortages that exceed the +/- 5%, Buyer may direct Seller to fulfill any Product(s) shortfall. Any Product(s) delivered more than Buyer's order, Buyer has the option to return or purchase the excess. For all returns of excess product, contact the Seller for instructions prior to returning product. Additional shipping tolerances may apply on special manufactured items. Seller will not be liable for any penalties until after first receipt of product by Seller from the manufacturer. All lead times are subject to factory on-time delivery. If shelf life requirement is not directly noted at time of quotation, then all shelf life product quoted will have a minimum of 90 days remaining. Certain parts quoted may be ITAR classified and may require a license when exported outside of the US. ITAR parts will be noted at time of quotation by Seller.

Seller will prepare and package Parts in accordance with its normal commercial practices. Unless otherwise mutually agreed by Seller and Buyer, shipping terms are defaulted as FOB Seller's dock (ExWorks). Seller shall ship Parts by the mode and carrier designated by Buyer in accordance with the shipping instructions provided in the applicable purchase order. Where Buyer provides no instructions for the method of shipment, the method of shipment will be at Seller's discretion. Seller will schedule delivery in accordance with its standard lead time unless Seller agrees in writing to a separate delivery date. Title and risk of loss will pass to Buyer when Seller places Parts at the disposal of Buyer at Seller's facility. Seller is entitled to quote additional charges for any rush shipments, special routing, packing, labeling, handling or insurance requested by Buyer. Seller reserves the right to deliver up to 14 (fourteen) days in advance of Buyer's Purchase Order's schedule delivery date.

5. EXPORT COMPLIANCE. Buyer represents and warrants that it will comply with all import and export control laws and regulations, including, but not limited to the United States Export Administration Regulation ("EAR") and the United States International Traffic in Arms Regulations ("ITAR"), and will retain documentation evidencing such compliance. Buyer will provide an End Use Statement to the Seller on request. The Buyer will also obtain import and reexport approvals and licenses required for Parts, transfers, services and technical data delivered and will retain documentation evidencing compliance with those laws and regulations. Buyer agrees to indemnify and hold Seller harmless from any fines, penalties, or other liability imposed by any government agency arising from any failure of Buyer to comply with such laws and regulations.

Seller will deliver Parts cleared for export, but Seller will not be liable to Buyer for any failure to provide Parts, services, transfers or technical data as a result of government actions that impact Seller's ability to perform, including, but not limited to (i) any governmental failure to provide, or the cancellation of, export or re-export licenses; (ii) any subsequent interpretation of applicable import, transfer, export or re-export law or regulation after the date of any order or commitment that has a material adverse effect on Seller's performance; or (iii) delays due to Buyer's failure to follow applicable import, export, transfer, or re-export laws and regulations or to assist Seller in acquiring same. Buyer shall not be relieved of its payment obligations if any of the above events occur.

If Buyer designates the freight forwarder for export shipments, then Buyer's freight forwarder will export on Buyer's behalf and Buyer will be responsible for any failure of Buyer's freight forwarder to comply with all applicable export requirements. Seller will provide Buyer's designated freight forwarder with required commodity information.

Where Buyer holds the design authority for a Part, Buyer shall provide Seller with export classification data, such as Export Control Classification Number ("ECCN"), Harmonized Tariff Schedule ("HTS") code, Harmonized System ("HS") code or International Traffic in Arms Regulations ("ITAR") classification, as applicable.

Warranties shall not apply for defect or non-conformities attributable to any part not supplied by or approved by the Seller.

Any action for breach of this Agreement, indemnity or any covenant or warranty must be commenced within one (1) year after the cause of action occurs.

All previous binding confidentiality agreements between Buyer and Seller supersede these Terms and Conditions. In the absence of such agreement, all information exchanged by both Parties are to be maintained in confidence. The United Nations Convention on Contracts for the International Sale of Goods does not apply to the Order.

20. **WAIVER.** The failure or delay of Seller to enforce any of the provisions of these conditions of sale shall not be construed to be a continuing waiver of any provisions hereunder nor shall any such failure prejudice the right of Seller to take any action in the future to enforce any provisions hereunder.

21. **ASSIGNMENT.** Buyer will not assign any rights nor delegate any obligations under these conditions of sale or any portion thereof in whole or in part, by operation of law or otherwise, without Seller's advance, written consent which will not be unreasonably withheld. 23. **ORDER OF PRECEDENCE.** Any inconsistencies between these terms and subsequent Agreements/Purchase Orders shall be resolved in accordance with the following descending order of precedence: (i) These Terms and Conditions of Sale and Service, (ii) other Agreement(s) and attachments thereof; (ii) Statement of Work; (iii) Face of the Purchase Order, release document, or schedule (including any electronic release) as applicable.

Should any goods become, or in Seller's opinion, are likely to become, the subject of any claim for infringement of any U.S. patent or copyright, Seller, in its sole option may either procure the right for Buyer to continue using the good, modify the good to make it non-infringing, substitute an equivalent non-infringing good, or take back and refund the depreciated value of the infringing good. Seller's indemnification obligation does not apply if the alleged infringement results from Buyer's modification or enhancement of the Products or use of the Products in combination with other products not provided or approved by Seller. If Buyer furnishes specifications to Seller for use in the manufacture of the products, Buyer will indemnify and hold Seller harmless against any claim of intellectual property infringement or any other claim which arises out of compliance with the specifications. Seller's obligation to indemnify Buyer hereunder shall only apply if Buyer promptly notifies Seller of any claim or action.
